

# Treadclimber TC200: Noises from the front roller, shocks, or belt ID: 13977.1

Follow this troubleshooting guide to help resolve noise issues from the front of your Treadclimber TC200.

Some common complaints may include:

- Banging noises
- Clunking noises
- Squeaking noises
- Rubbing noises

## Follow these steps to troubleshoot the issue

*Tools you may need:*

Phillips head screwdriver  
5mm hex/Allen wrench or the wrench from the hardware card included with your machine  
(2) 13mm open-ended wrenches

1. Start a workout and let the belts on your machine run. Listen to the area near the front rollers to confirm the noise is coming from the front of your machine.
2. Listen for the noise both without anyone on the machine and while performing a workout. If the noise is only present without anyone on the machine, [order a Front Roller \[13977.A\]](#). Otherwise, refer to the "Replace the Front Roller" section of the [service manual](#) for instructions on removing the front roller. Inspect the front roller for damage. If damage is present, [order a Front Roller \[13977.B\]](#).
3. If the EasyStep Shocks are the source of the noise, please visit [Treadclimber TC200: I'm having issues with the EasyStep Shocks](#) to continue troubleshooting.
4. If the belts on the treadles are making a rubbing noise or you can see they are rubbing, please visit [Treadclimber TC100, TC200: How do I adjust the walking belt position?](#) to continue troubleshooting.
5. If the noise persists, please visit [Treadclimber TC200: Noises from the treadles, walking belt, or friction block](#) to continue troubleshooting.

## Need to order replacement parts?

### 1 Customer Care Contact Information

**Please contact Customer Care at 1-800-605-3369 for additional help or to order replacement parts. Some replacement parts may also be available for purchase [online here](#). A list of part numbers referenced within this guide can be located at the bottom of this page.**

**Customer Care - Hours of Operation:**  
Monday - Friday 6:00am - 5:00pm PST

*The replacement part will be provided to you at no cost assuming your machine meets the warranty eligibility requirements. A Customer Care Agent will be able to assess your current warranty eligibility and provide you with your options.*

*Please note that if you did not purchase your machine directly from BowFlex, Schwinn, or Nautilus, we will need a copy of your purchase receipt in order to register your machine for warranty.*

## 2 Parts Reference Table

<i>Part Description</i>	<i>Part SKU</i>
<b>Front Roller</b>	<b>003-2315</b>

## 3 EAF Policy

### **EAF - Issues requiring Special Handling**

**ATTENTION:** If the customer complains of any of the following, transfer the call to a Senior Rep in the **CS ESCALATION** queue.

- **NOTE THE CUSTOMER FILE:** "Transferred customer to Senior Rep/Sup due to escalated issue."

**NOTE:** This process is **ONLY** for Treadmills and TreadClimbers.

**NOTE:** This does not apply to second-hand purchases or unsupported products. The customer record must have a valid POP and serial number.

#### **\*Visible Smoke coming from machine:**

- Be sure to confirm specific color of smoke (blue, black, or white).
- NOTE: If complaint is a hot/smoky odor/smell, proceed with troubleshooting.

#### **\*Sparks or flames coming from their machine outside of the drive motor**

- (sparks from the brushes inside the drive motor are normal)

#### **\*Machine accelerates quickly (runs away) without user input/keypress**

#### **\*Belt moves without safety key in place**

**\*Strong Continuous Electric shock from machine frame** (beyond normal static shock, which is a single defined event and builds up prior to discharge)

**\*Belt stops suddenly without an error code, without user input, or the safety key being pulled.** Console remains on or working.

## 4 Contact Tech Team / Advanced Troubleshooting (TM/TC)

***If the issue was not resolved in the steps listed, contact the Tech Team or send an Advanced Troubleshooting case.***

**Submit a Case** with case type **Advanced Troubleshooting**
